

Where students are at home.

## Our Guarantee to all International Students

### Covid-19 (Coronavirus) Booking Information for 2020/21

We fully understand that there is a lot of uncertainty surrounding the Covid-19 at the moment and possible consequent travel restrictions. If you book a room at a HOST property for September 2020 today, but are then disallowed from travelling to the UK due to the relevant Government travel restrictions, exclusively as a result of Covid-19 and therefore no longer require the room, you will be released from your booking – see below Terms & Conditions.

#### **Terms & Conditions:**

- This guarantee is open to all international students applying for higher education in the UK for the 2020/21 academic year.
- If an applicant is disallowed from travelling to the UK exclusively as a result of Covid-19, they need to provide evidence from either the UK Government or from the Government where you live confirming this advice (in English). This must be provided to Host.
- On production of the relevant Government confirmation (in English), the applicants booking will be cancelled in full, with a full refund of any 2020/21 rental payments made.
- All applicants wishing to take up this option need to contact the accommodation where they placed their booking directly in order to activate this Guarantee.
- Email confirmation will be sent to all students that are accepted onto this guarantee once they have paid advance rent and confirmed their guarantor details where applicable.
- Please note in the case of dual occupancy both parties must be eligible for this guarantee in order for it to apply.
- Please note that if you cancel the room and rebook, the room may not be available, and the price may be revised in August and September 2020.
- These terms and conditions are correct as at 21<sup>st</sup> July 2020 but Host Student Housing Limited reserves the right to change them or remove this guarantee at any time without prior notice.
