

Premium Studios

Most popular

If you're looking for something special that's also great value for money, then look no further. Our Premium studios are for you.

Offering our 2016 students the exclusive opportunity to experience the ultimate in uber-chic shared student space, your brand-new, spacious (28m² average floor space) state of the art studio has everything you could need to enjoy your time studying in Nottingham.

From plush double beds, to fully fitted kitchens and sparkling new ensuite facilities, our premium studios also provide residents with easy access to our beautiful designer communal spaces, where you can relax and unwind with friends and colleagues after a hard day's studying.

Premium studios are our most popular studios, so get in touch quickly to secure your September 2016 student accommodation.
